

TPV-10 CENTRE PULL VOID FILL DISPENSER

EASY INSTALLATION

HEAVY DUTY

RECYCLABLE

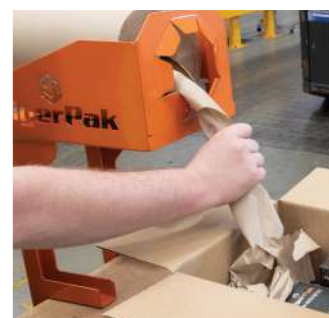

BIODEGRADABLE

TigerPak's **TPV-10 Centre Pull Void Fill Dispenser** is the perfect solution for efficient, eco-friendly, and high-volume packing needs! Designed with versatility in mind, this durable dispenser is perfect for any workspace, whether it's a bustling warehouse or a compact workstation.

KEY FEATURES:

- **Easy Installation:** With adjustable mounting clamps, the dispenser fits effortlessly on roller belts in warehouses or workbenches, adapting to any environment.
- **User-Friendly Design:** Tear off void fill paper with ease, streamlining your packing process and saving valuable time.
- **Eco-Friendly Solution:** The paper rolls are biodegradable, reducing waste and minimizing your environmental footprint, making it a sustainable choice for businesses.
- **Versatile Use:** Whether you prefer using the heavy-duty dispenser or simply grabbing the handy roll by itself, both options come ready to use for maximum convenience.
